

Kerb

The diagram illustrates a cross-section of a kerb detail. A concrete base is shown with diagonal hatching. A blue waterproofing layer is applied to the top and sides of the base. A black cover plate is bonded to the top of the waterproofing layer with Triflex Cryl Paste. The waterproofing is finished with Triflex Cryl Finish 209. A detail C/D is indicated on the left side. Dimensions of min. 5 cm are shown for the base and the cover plate.
